

Malleable cast iron reducing tee (Equal minor run and branch)

This malleable cast iron reducing tee with equal - sized minor run and branch offers precise flow division, high adaptability, and reliable connection.

- **Standard:** ISO 49 / EN 10242
UL/FM
- **Material:** BS EN 1562, EN-GJMB-350-10
- **Thread:** BSPT
- **W. pressure:** 20 ~ 25 bar, ≤ PN25
- **Surface:** Black iron / hot dip galvanized
- **Size Range:** 3/4" x 1/2" x 1/2" --- 3" x 2" x 2"

Available size

SIZE(1 x 3 x 2)			A	B	C
